

BALLARD MUSIC & SEAFOODFEST

JULY 10 - 12, 2026

Become a festival sponsor in 2026!

Ballard Music & Seafoodfest is Seattle's iconic three-day festival that attracts more than 75k visitors to the Ballard neighborhood each summer. Festivalgoers are drawn to the incredible bounty of seafood delicacies, live musical performances all weekend long, an expansive beer & cocktail garden that showcases the best of Ballard's craft beverage scene, an eclectic mix of artisan craft vendors, an exclusive VIP lounge, a kids area filled with activities and performances, a skateboarding competition, a lutefisk eating contest and much more!

It all started in 1974 as a neighborhood salmon barbecue picnic celebrating Ballard's connection with fishing industry and its Scandinavian heritage, while raising funds to support the vitality of the Ballard community. Those traditions continue as the event celebrates 52 years of fun this year!

New in 2026, we added *music* in the name, a fresh brand and a more capable website. The festival remains free of charge to the public. All proceeds from Ballard Music & Seafoodfest are reinvested into the neighborhood through projects and programs that help ensure Ballard remains a vital and vibrant corner of Seattle. Festival sponsorship has lasting year-round impact for the community. It allows us to showcase our partners to a large diverse audience and helps us celebrate the best of our beloved neighborhood for one special weekend. Would you like to be a part of this special event in 2026?

Contact Mike Stewart at mike@ballardalliance.com or 206-784-9705 for more details on how to become a sponsor.
